Steve & the Staff

.....welcome you to the Cranford Inn

Our aim is to make your visit a pleasant one.

This is our Monday to Saturday menu
.....and Sunday evening

Sorry but we do not offer a children's menu but we are able
to offer smaller portions of our normal menu

Sunday Lunchtime we offer traditional roast with
selected dishes for those not wishing to have a roast.

We offer traditional fare with some interesting specials.

Our special boards are updated daily.

We try and use the best local produce whenever possible.

We hand-make all our desserts, excepting the ice cream
which is made on a local farm.

We even make and sell our own real ale by the bottle.

We have selected our wines with our menu in mind and for
discerning wine lovers have added a guest wine list for your enjoyment

If your meal takes a little while to come to your table it is
because we cook fresh food to order.

It will be worth the wait.

Thank you & Bon appetit!
